Walking Stick Exhibit Exposición de Bordones

Sponsored by the Association of Old Cuban Scouts

The Walking Stick, Hiking Staff, Hiking Stave or "Bordón", as it is called in Spanish, is a traditional symbol of Scouting. As we celebrate Scouting, 100 years and beyond, the Association of Old Cuban Scouts is hosting a Hiking Staff Exhibition FOR ADULT SCOUTERS during the 2010 Lincoln-Marti Camporee.

All Adult Scouters participating in the 2010 Lincoln-Marti Camporee are encouraged to proudly exhibit their traditional Hiking Staff in the designated area on the site for the Museum of Cuban Scouting, on the Camporee Grounds, starting at 10:00 AM, on Saturday, January 23rd. The Association of Old Cuban Scouts will award various recognitions for hiking staffs that best exemplify the Scouting Spirit.
