Non-hunting guest's are very welcome and assured a great trip. This package includes a stay at our Premier lodge and a wide array of activities for hunting and your stay, i.e. touring, hiking, visiting the vineyards, boating, skiing, fishing, shopping, to name just a few options. Gary was awarded the - '2006 SCI International Professional Hunter of the Year' in Reno.

This package is for five (5) days between February and June 2010.
